

# Silencer

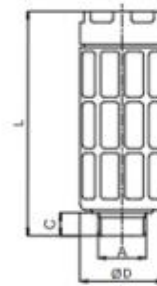

## Polyethylene

### Nylon

When compressed air escapes into the atmosphere, it produces noise. This can be prevented by installing a silencer.

#### Materials:

Nylon

| ARTICLE NUMBER | Thread (A) | L      | D    |
|----------------|------------|--------|------|
| S18PE          | G 1/8"     | 35.6mm | 15   |
| S14PE          | G 1/4"     | 57mm   | 19   |
| S38PE          | G 3/8"     | 77.8mm | 33.3 |
| S12PE          | G 1/2"     | 87mm   | 43   |
