

Valves

Valves with NAMUR-Interface

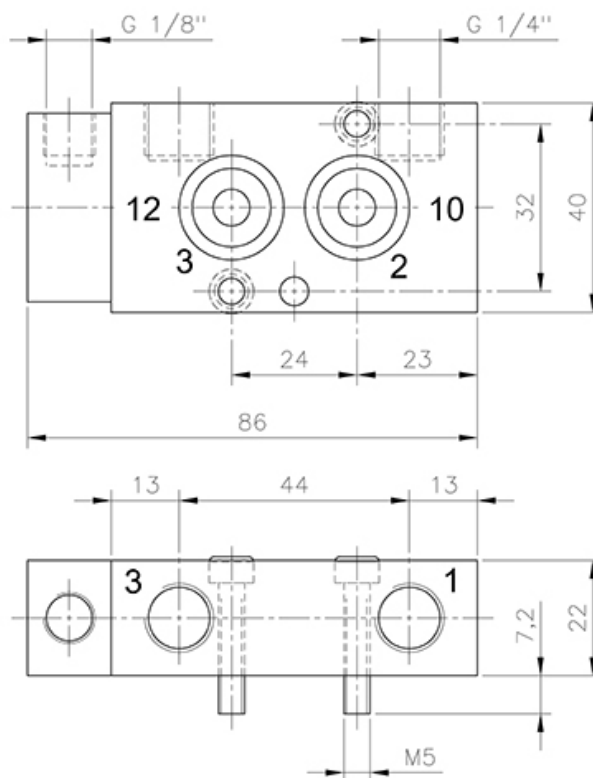

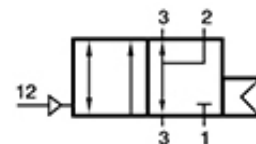

Pneumatically actuated valves

3/2-way valves

PN 310 701

Pilot actuated valve with NAMUR interface | monostable |
NC | air spring return

HAFNER

Specifications

Port size	G 1/4"
Air flow	1250 l/min
Operating pressure	2...10 bar
Actuating pressure	Same as operating pressure
Size of actuation port	G 1/8"
Funktion	monostabil NC
Interface	NAMUR [1/4"]
